Dear Student,

**THE MEDICAL REGISTER OF AUSTRALIA PTY LTD (IN LIQUIDATION)
ACN 092 893 635**

Unfortunately, the company has ceased trading and gone into liquidation.

The company will not provide the training course that you have paid for as it is insolvent and has no funds.

You will not get a refund from the money that you have paid.

You are an unsecured creditor in the liquidation of this company. There is only a remote prospect of a dividend to be paid to unsecured creditors. If a dividend is paid, as liquidator I will contact you.

As liquidator, I am currently attempting to sell the business. If the business is sold, the courses you enrolled in are likely to be offered by the new owner at rates to be determined.

Enclosed is a letter to students from Ed Byron, the director of the company.

If you wish to discuss this matter you may contact the Department of Fair Trading on 13 32 20 or via their website at www.fairtrading.nsw.gov.au.

Yours faithfully,

THE MEDICAL REGISTER OF AUSTRALIA PTY LTD

**NICHOLAS CROUCH
LIQUIDATOR**

APOLOGY

The MEDICAL REGISTER *of* AUSTRALIA has recently found the downturn in the economy has severely affected the cash flow of the Company.

So much so that I have made application for voluntary liquidation of *The* MEDICAL REGISTER *of* AUSTRALIA Pty Ltd.

To those students who have paid fees and have not completed their course, I hope to offer some remedy in the New Year.

The remedy would be by way of conducting the course again, your attendance would be at no fee.

Your details are on file and you will be contacted early in the New Year to advise the possible new dates.

Again my sincere apologies for this most unfortunate circumstance.
